University Regional Provision

Towards a New Art of
Engagement

RMIT

Professor Chris Duke

Anne Badenhorst

Define Regional, Define Client

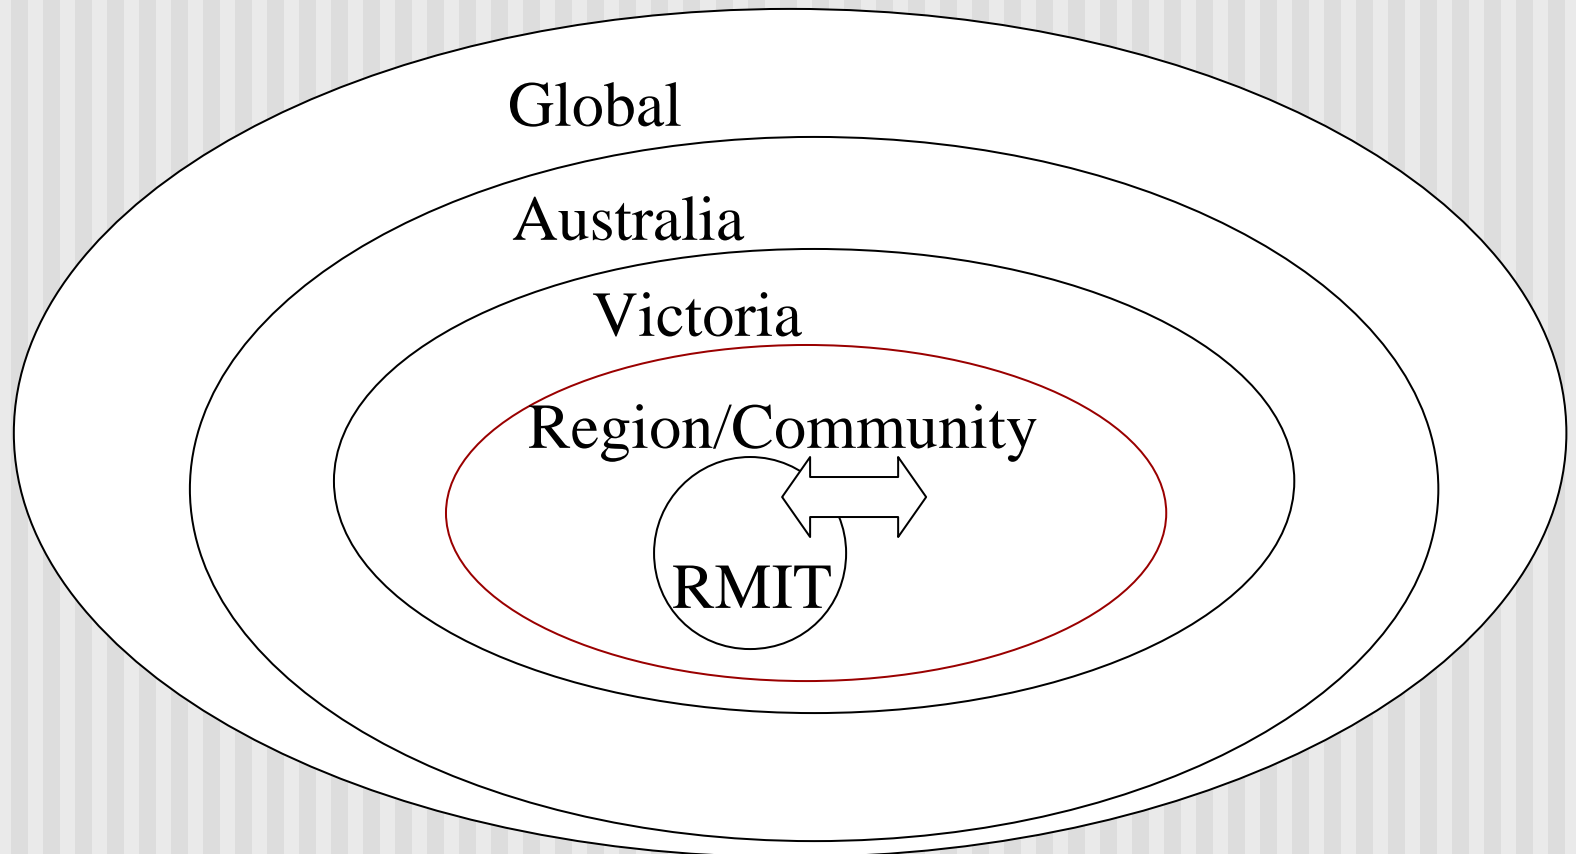

Engagement

- Modes of provision
- “learning partners”
- regional “competitiveness” and the role of universities
- “mode two knowledge production”
(Gibbons1994)

Context

Understanding

- Learning from partnership
- Measures – Practice and Performance
- Partnership typology – Networking, Coordinating, Cooperating, Collaborating
- Reviews for leading indicators – today's client or tomorrow's, and from what basis

Conclusion

- Defining
- Learning
- Diversity
- Shared Futures
