# Food Security 2012

*Science, Sustainability and Governance*

5-6 July 2012 | La Trobe University, Melbourne

We are pleased to announce the very first Conference on Food Security: Science, Sustainability and Governance, to be held in conjunction with **Business and Higher Education Round Table (B-HERT)** and **La Trobe University**.

This conference will address the challenges facing food security and will bring together business, industry, government, and academics to discuss practical solutions for local and global concerns.

## Call for papers - Deadline: 31 January 2012

### PAPER SUBMISSION GUIDELINE

- Prospective speakers are invited to submit presentation outlines for original research and recent developments in the topics related to food security. Each presentation will be 35 minutes and outlines should be submitted via email to [hannah.guz@informa.com.au](mailto:hannah.guz@informa.com.au)
- All outlines will be reviewed and once accepted, the presentation will be included in the Food Security: Science, Sustainability and Governance Conference to be held the 5 & 6 July 2012.
- **More information about the conference topics and Call for Papers [here](#)**

The full program and speaker line-up will be released at [:www.informa.com.au/foodsecurity](http://www.informa.com.au/foodsecurity)

The conference presents an excellent opportunity to showcase current thinking and projects for a crisis with a web of interconnected issues that is not easily analysed or quantified.
