Award for Outstanding Philanthropic Support of Higher Education 2010

Purpose

This award for Philanthropic Support is to recognise support for higher education; and to draw attention to the extent of this support, the key role it plays in enabling important and innovative programs, and in leveraging further support.

The Award is part of a program of prestigious awards initiated in 1998 to recognise outstanding achievements in collaboration between business and higher education. The objective of the program is to highlight at a national level the benefits of such collaboration, and enhance links between industry and universities.

Frequency

Awards are made annually and presented at the B-HERT Awards Dinner in November each year.

Eligibility

The award is made to an individual, family, group, foundation, charitable entity or other entity that through their leadership, custom, advocacy and example has encouraged and/or provided philanthropic support to one or more higher education institutions.

Nominations can be made by one or more institutions that have received philanthropic support from the nominee. The person completing this nomination should be aware of the achievements of the nominee in the context of the nominee's leadership in higher education philanthropy.

Each submission must be signed by all participating partners.

Non-successful applicants are eligible to apply for an Award in a later year.

Award

The Award winner will receive a framed Certificate. The nominating institution/s receives a 2011 Global Philanthropic conference registration to the total value of \$1000.

Criteria for Assessment

Please describe the nature, relevancy and breadth of the nominee's contribution. The judging panel will focus on the material provided in the nomination. Include as much factual information about your nominee's contribution as possible. What the judging panel is seeking is an account of the relationship, incorporating as much detail as possible about the benefits derived from the nominee's contribution.

- C1** What philanthropic activities initiated or supported by the nominee have generated effective outcomes for your organisation and/or the higher education sector?
- C2** How has the nominee demonstrated a continuing commitment to higher education philanthropy and to encouraging and broadening philanthropic support for Australia's higher education sector?
- C3** What are the objectives and values that have underscored the nominee's philanthropic support for your organisation and/or the higher education sector?
- C4** How has the nominee demonstrated leadership in altering attitudes to the merits of supporting higher education through personal and professional advocacy?
- C5** Provide examples of the benefits from the nominee's philanthropic support and the type of support provided.

Where possible include both qualitative and quantitative information in your responses.
